

Immersion Turns Your Imagination into Reality

BenQ Entertainment Monitor EW3280U

Maximizing enjoyment of the latest HDR entertainment content, EW3280U leverages 4K UHD IPS panel with HDRi and superior audiovisual features to deliver immersive multimedia experience. Featuring BenQ proprietary HDRi technology, plus remote control and USB Type-C, EW3280U is to take your video enjoyment to the next level.

Because it matters

BenQ Entertainment Monitor EW3280U

Immerse Yourself in Audiovisual Entertainment

An Intelligent Vision for Immersion with HDRi

HDRi, a proprietary technology which will enhance the HDR content on your screen with intelligent control, clarity adjustments, and vivid colors. You can finally see sword-wielding hero vanquishing his enemy in the wolf howl-filled night and allows yourself to be moved by the proposal under the fireworks. Enjoy clear and sharp images with HDRi.

In Awe of Every Sound

Be indulged in the movie world with full range of sounds. From a well-defined bass to the high-end sounds, the right sounds define the intensity of your entertainment experience. Industry-leading, built-in 2.1 channel speakers with true tone sound allow you to experience every scene.

Tailored Sound Modes

- Cinema** : Mind-blowing action sound effects
- Rock/Party** : Every beat rocks you
- Pop/Live** : Puts you in the scene
- Game** : Locates your enemies effectively by sound
- Dialog/Vocal** : Clarity means better understanding

Your Entertainment, Your Way

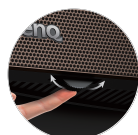

Adjust your monitor to display every image in your ideal way. Enjoy multiple access points to adjust the volume or any of your preferred settings while watching your favorite movies. Your Saturday night movie marathon will go without interruption for EW3280U allows users to easily switch from PC to laptop to enjoy all kinds of content while maintaining a cable clutter-free desk.
