# WiFi light chain, 10m, 80 led, adapter, IP44, RGB

DELTACO

- WiFi: 2.4 GHz, 802.11 b/g/n
- IP-44: use indoors/outdoors

WiFi light chain, 10m, 80 led, adapter, IP44, RGB

With the DELTACO SMART HOME app, you take care of all handling for the light chain. The installation is quick and easy, all you need is a working wireless network, ie. no special hubs or gateways. In the DELTACO SMART HOME app, you can control light chains individually or divide them into different rooms for easy handling of a group of light chains. In addition to turning on or off, you can set the color and timer if you want the light chain to turn off after a certain time. Alternatively, you can schedule specific times when it should be on or off. The DELTACO SMART HOME app also provides the ability to create automatic actions. For example, you can make the light chain turn on when the sun has set, or if you want to group several light chains together to perform the same thing at a given time. The DELTACO SMART HOME app is of course available to download for free for both Android and iOS.

The SH-LRGB10M can also be connected and voice controlled together with Google Assistant or Amazon Alexa for easy integration to the smart home.

NOTE. The light chain cannot be set to glow in a single color.

SPECIFICATIONS

Product weight	0.29 kg
Color	Black

LOGISTIC

Item number	SH-LRGB10M
Manufacturer part number	SH-LRGB10M
Country of origin	China
Sales unit bar code	7333048046567
Sales unit height	90 mm
Sales unit width	180 mm
Sales unit depth	60 mm
Sales unit gross weight	0.29 kg
Sales unit net weight	0.29 kg
Inner carton height	90 mm
Inner carton width	180 mm
Inner carton depth	60 mm
Inner carton weight	0.31 kg
Inner carton quantity	1
Master carton height	200 mm
Master carton width	390 mm
Master carton depth	190 mm
Master carton weight	3.70 kg
Master carton quantity	12
