- 3xCEE 7/3, 1xCEE 7/3 Type F Schuko GS standard

SMART HOME Smart Branch Socket, 3xCEE 7/3, USB-A 2A, white

The branch outlet can be used for all units with the correct plug (max. 13A). Ideal for eg TV, computer, lamps or other lighting. Each socket can be switched on or off individually, including the USB ports. Each socket has a diode that indicates whether it is on or off.

With the DELTACO SMART HOME app you handle all the switch operation. The installation goes very quickly and smoothly, the only thing you need is a functioning wireless network, ie. no special hubs or gateways. In the app, in addition to turning the power switch on or off, you can also set a timer if you want the power switch to turn off after a certain time. Alternatively, you can schedule specific times when it should be turned on or off. The DELTACO SMART HOME app also offers the possibility to create automatic actions. For example, the power switch turns off when the sun goes down, or if you want to group more power switches together to perform the same thing at a given time. The DELTACO SMART HOME app is of course available for free download for both Android and iOS.

SPECIFICATIONS

Product weight	0.58 kg
Color	White
Warranty	5 years
Socket Type	CEE 7/3
Connector	CEE 7/7
Child proof	1
USB	1
Number of Sockets	3

LOGISTIC

Item number	SH-P03USB2
Manufacturer part number	SH-P03USB2
Country of origin	China
Sales unit bar code	7333048046703
Sales unit height	90 mm
Sales unit width	330 mm
Sales unit depth	65 mm
Sales unit gross weight	0.49 kg
Sales unit net weight	0.49 kg
Inner carton height	19 mm
Inner carton width	34 mm
Inner carton depth	33.50 mm
Inner carton weight	0.55 kg
Inner carton quantity	10
