Products info:

OEM-PN: 115R00115, 607K23451, 607K42540

CET-PN: CET421082

Lifespan: 100,000 Pages

Product Highlights

- Newly upgraded product provides full compatibility across multiple models while enhancing fixing durability without toner contamination, ghosting or error codes.
- CET's patented picker finger assembly prevents paper jamming during continuous printing.
- A high-quality heating element is ready for use upon installation, featuring fast heating, low energy consumption with an OEM-equivalent lifespan.
- Cost-effective solution reduces printing expenses.
